WORLD ENVIRONMENT DAY 2024

Event Summary:

Name of the event : Expo in Commemoration of World Environment Day 2024

Place of the event : Chemistry Laboratory, AHWC

Date of the event : 20.06.2024

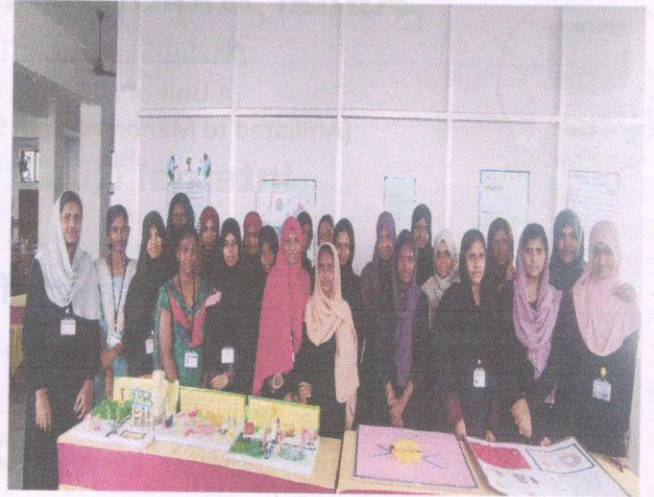

Participants : I, II & III B.Sc. Students & Staff of Department of Chemistry, AHWC

Outcome of the event : All the students gained knowledge on how the environment is getting degraded and the methods by which the environment could be safeguarded.

World Environment Day is the largest global platform for environmental public outreach and is celebrated by millions of people across the world. Every year, World Environment Day is celebrated on June 5. The theme of the World Environment Day 2024 is "Land Restoration, Desertification, and Drought Resilience.

Internal Quality Assurance Cell (IQAC) and the Department of Chemistry of Annai Hajira Women's College organized an Expo commemorating World Environment Day 2024 on 20.06.2024 since the students had their University exams in the starting of June. Dr.M.Anuratha, Assistant Professor, Department of Chemistry, AHWC delivered the felicitation address. She highlighted the responsibility of every student in protecting our environment.

Students of I, II and III B.Sc. Chemistry made many projects like the model of "Causes of acid rain", Global warming concept etc., by engaging themselves enthusiastically and provided awareness on the ways by which the environment was getting degraded and the methods that can be adopted to protect it.
