### **Bridge Course 2019-2020**

#### **Welcome to Bridge Course!**

It's a privilege and responsibility for us to mould the new comers - the first year degree students to the college. The course is designed to help in building a solid foundation in English language skills.

The term "**Bridge**" refers to the fact that the course is designed to bridge the gap between the knowledge and skills that a student has at one level and the knowledge and skills that are required at the next level.

By attending a Bridge Course, the students can learn the skills and knowledge they need to succeed in their new academic programme. In essence, Bridge Course serves as a bridge between where a student is now and where they want to go, and helping them to overcome obstacles to achieve their goals.

#### **Course Objectives:**

- To improve listening and speaking skills
- To enhance reading and writing skills.
- To develop critical thinking and analytical skills.

**Duration:** From 25.06.2019 to 28.06.2019
