## Harmony in Action: AHWC's Program

The academic year 2019-2020 at Annai Hajira College for Women was woven with vibrant events. From academic pursuits to cultural celebrations, our college proudly presents innumerable activities that not only broaden our knowledge but also foster holistic development among our students. These events stand testimony to our commitment to providing a well-rounded educational experience, shaping individuals who are not only academically competent, but also culturally aware and holistically developed.

At the beginning of the year, we had motivational programs for each academic level. The aim was to empower and inspire our students, setting a positive tone and encouraging ambition. To broaden our global perspective, we implemented the Staff Exchange Programme.

On Teacher's Day, we expressed our gratitude to the pillars of education – our teachers. We strengthened our dedication to environmental protection through diverse

initiatives, actively participating in events such as World Earth Day.

The primary goal of the Onam festival is to promote unity and national harmony among students. On this occasion, we joyously celebrated the festival of Onam.

in 2019, our students had the privilege of an enriching industrial visit to the ISRO Propulsion Complex in Mahendragiri. This experience provided a firsthand look at the cutting-edge technology and innovation driving India's space exploration efforts. In 2019, our students embarked on an illuminating visit to the

MSU Solar Power Plant, delving into the realm of sustainable energy. This firsthand experience provided a glimpse into the cutting-edge technology and eco-friendly practices employed in harnessing solar power. We are delighted to share the wonderful outcomes of our recent Societal Responsibility Activity, a collective endeavor that brought our community together to make a positive impact. Our commitment to social responsibility aimed to contribute to the betterment of society, and the results are truly heartening.

### Special points of interest:

#### **Celebration of festivals:**

Celebrations for various occasions like Onam, Teachers' Day, .

**Field Trips** MSU Solar Power Plant, ISRO Propulsion Complex in Mahendragiri., Vattakottai Fort

#### **Educational Programs:**

Science Talk: E-Lecture Series, department Associations' inaugurations.

**Special Day Celebration:** World Earth Day, National Science Day

#### **Competitions and Symposiums:**

Participation in **SYMPHORIA '20** conducted by St.Xavier's College intercollegiate competitions, Online quiz competition on Explore Earth during Pandemic

#### **Social Awareness:**

Participation in awareness programs like Societal Responsibility Activity

August –September 2019

## The power and purpose of literature

The Department of English organised a guest lecture on the topic “The power and purpose of literature” on 7<sup>th</sup> August 2019. Dr. Seyd K. Kalanthur, Director-Education, Star Education Management System Dubai, UAE was the Chief Guest. He emphasized the importance of literature in our lives.

## CAREER AWARENESS PROGRAM

The Department of Commerce orchestrated a guest lecture on August 29, 2019, for first-year students, focusing on a career awareness program. The session featured Mr. M.V. Mahadevan, a counselor from ICSI (Institute of Company Secretaries of India). He delved into the realm of higher studies pertaining to Company Secretaryship and illuminated the job potentialities associated with the field. The students actively participated in the discussion, showcasing enthusiasm, and derived significant benefits from the valuable insights shared during the lecture.

## Teachers' Day 2019

Teachers' Day is a special day celebrated to honor and appreciate the contributions of teachers in shaping the lives of the students and societies. It is an opportunity to express gratitude for their dedication, guidance and the positive impact they have on education and personal development. In Annai Hajira Women's College, Teachers' Day was celebrated on 05.09.2019.

Teachers' Day 5<sup>th</sup> Sept. 2019

September 2019

**ONAM CELEBRATION 2019**

Annai Hajira Women's College had signed a MOU with Sadakathullah Appa College on 22.08.2019 under Paramash Scheme. Its objective is to enhance the overall quality of the mentee institutions and Mentoring the Non-Accredited Higher Education Institutions to enable them to get accredited.

Onam commemorates Vamana and Mahabali. It is the most important festival of Kerala which is celebrated with much enthusiasm. India is a secular state which celebrates all festivals with harmony. The main objective of this celebration was to inculcate unity and national integration among students. In this regard, we celebrated Onam celebration on 10.09.2019. Most of the staff and students wore beautiful traditional attire of the neighbouring state Kerala on this occasion.

**ONAM CELEBRATION -10.09.2019**

**STUDENTS AND STAFF EXCHANGE PROGRAMME 2019**

The students and staff exchange programme for Chemistry, Mathematics were organized on 12.09.2019 with Sri Sarada College for Women, Ariyakulam, Tirunelveli.

**STUDENTS AND STAFF EXCHANGE PROGRAMME-12.09.2019**

**INDUSTRIAL VISIT 2019**

30 students accompanied by four staff members from Department of Chemistry visited ISRO PROPULSION COMPLEX, Mahendragiri on 18.09.2019. The students gained an opportunity to learn the basics of propulsion. ISRO PROPULSION COMPLEX is equipped with state of the art facilities for the assembly, integration and testing of liquid propulsion systems. The centre has models for understanding the variation of gravity in different planets of the sun. Students understood the concept with fun by using their working model that their weights will be different in different planet. The students and staff had also visited the launch pad placed in the IPRC campus for testing the propulsion systems.

**INDUSTRIAL VISIT 18.09.2019**

September 2019

## Field Trips Corner

**EDUCATIONAL TOUR 18.09.2019**

### EDUCATIONAL TOUR

Educational tours create a sense of teamwork and community among the students as they experience a field trip together. The Department of Chemistry and Physics of AHWC went for an educational tour to Vattakottai Fort on 18.09.2019. Thirty students along with four staff members from all Department actively joined in the trip and enjoyed well.

### MSU SOLAR POWER PLANT VISIT 2019

On 12<sup>th</sup> December 2019, thirty students of I and II B.Sc. Chemistry along with 4 faculty members of Chemistry visited 1 Mega Watt Solar Power Plant spread over 3.25 Acres with the power production of 1,20,000 units/month in Manonmaniam Sundaranar University, Tirunelveli. The Students gained a clear idea and knowledge about the construction and working of Solar Power Plant.

## Professional Development Corner

### **CELEBRATION of 150<sup>th</sup> INTERNATIONAL YEAR of the PERIODIC TABLE** **INTER COLLEGE COMPETITION**

Thirty students of I and II B.Sc. Chemistry along with four faculty members of Chemistry attended one day National Seminar on "Celebration of 150<sup>th</sup> International Year of the Periodic Table – A Scientific Perspective" organized by Department of Renewable Energy Science, Manonmaniam Sundaranar University, Tirunelveli commemorating the 150<sup>th</sup> International year of Periodic Table on 12<sup>th</sup> December, 2019.

Eleven students from I and II B.Sc. Chemistry of our college, accompanied by Dr. R. Anuradha, HoD of Chemistry, attended the **SYMPHORIA '20** conducted by St.Xavier's College, Palayamkottai on 8<sup>th</sup> January 2020 that encompasses a range of competitions.

**INTER COLLEGE COMPETITION SYMPHORIA'20 -08.01.2020**

### **SOCIETAL RESPONSIBILITY ACTIVITY**

Department of Renewable Energy Science, Manonmaniam Sundaranar University, Tirunelveli has organized 2 days National Workshop of Societal responsibility for Rural Development: Role of Science Teachers, on 06/02/2020 and 07/02/2020. To educate the students with societal responsibility and to practice various techniques in college, on behalf of Annai Hajira Women's College, three faculty members Dr.R.Anuradha (HOD, Chemistry), Ms.S.Pandimadevi @ Lishavi (Assistant professor of Chemistry) and Dr.R.Lavanya (Assistant Professor of Physics) have attended the workshop.

### **FINE ARTS DAY COMPETITIONS -2020**

**FINE ARTS DAY COMPETITIONS -14, 02.2020, 15.02.2020**

February –June 2020

## Special Day Celebrations

### National Science day celebrations

National Science Day Celebration and Valediction of Physics Association were celebrated on 20.02.2020. Dr.S.John Kennady Vedhanathan Principal, St.John's College, Palayamkottai was the resource person. He enlightened and motivated the students with legacy of commemorating National Science day every year. He also distributed the prize for winners of various competitions held exclusively for National Science day.

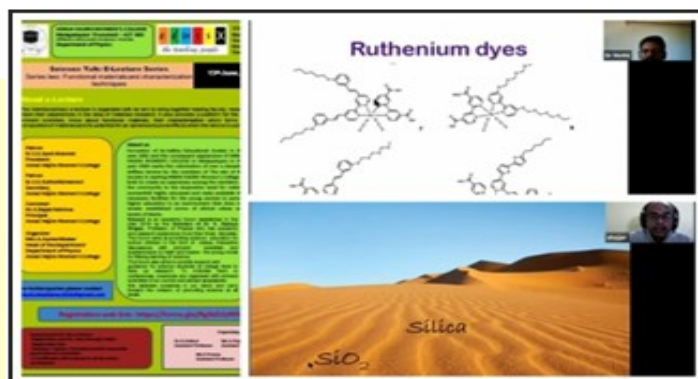

### World Earth Day

WORLD EARTH DAY -22.04.2020

### Science Talk: E-Lecture Series

In tie up with Eduss X, an educational forum, it was organized a Science Talk: E-lecture series on Functional materials and Characterization Techniques on 15.06.2020 through ZOOM platform.

SCIENCE TALK: E-LECTURE SERIES—15.06.2020

# Students Support Corner

The Department of Commerce organized a demonstration session on February 26, 2020, with the aim of enhancing students' entrepreneurial skills. The session featured a resource person, Ms. A R Uma Maheswari, Founder of Lotus Art Creation. Ms. Maheswari provided hands-on demonstrations in crafting ornaments, Zardosi work, embroidery, and glass paintings. The students actively participated in the session, engaging in practice and deriving valuable benefits from the experience.

## **DEMO SESSION**

**DEMO SESSION—26.02.2020**

## **Career Guidance and Placement cell**

Excitement abounds as we unveil the most recent updates from our Career Guidance and Placement Cell, showcasing initiatives designed to empower the futures of our members. The dedicated team's efforts play a vital role in delivering valuable support for career development and placement opportunities.

## BRIDGE COURSE

## DEPARTMENT OF ENGLISH

25.6.2019 –28.6.2019

These courses play a crucial role in providing students with a solid foundation in language and analytical skills, setting the stage for success in more advanced academic endeavors. By addressing key areas like grammar, vocabulary, reading comprehension, and essay writing, the bridge course equips students with the essential tools needed to navigate the challenges of the English curriculum. Overall, it serves as a valuable stepping stone for students from their transition into higher-level studies within the English department.

# Memorandum of Understanding

MOU is made with St.John's College, Palayamkottai on 10.07.2019

MOU is made with Sadakathullah Appa College, Palayamkottai for Paramarsh UGC Scheme for Mentoring on 22.08.2019
