

As we reflect on the vibrant tapestry of events that adorned the canvas of the academic year 2022-2023, Annai Hajira Women's College proudly presents the myriad activities that have enriched our journey, fostering knowledge and holistic growth.

Our year commenced with an inspiring series of Motivational Programmes catering to each academic tier, setting the tone for empowerment and ambition among our students. Further enhancing our global outlook, the Staff Exchange Programme was a testament to our commitment to cross-cultural learning and collaboration. Celebrating the essence of nationhood, the 75th Independence Day Celebrations were moments of pride and unity. Yet, our scope extended beyond borders with the 'Nadagathiruvizha', a cultural festival, echoing the vibrant spirit of our heritage.

Acknowledging the pillars of education, we honoured our teachers on Teacher's Day, reflecting their invaluable contribution to shaping futures. Additionally, our journey towards environmental stewardship was marked by an array of initiatives: from Waste Management Awareness to commemorating Ozone Day and Rivers Day, aligning our efforts with global sustainability objectives.

The academic spectrum flourished with diverse programmes, from quality enhancement workshops and intellectual property rights discussions to hands-on experiences like the Mahindra Pride Classrooms and Internships.

A series of celebrations unfolded throughout the year, be it the vibrant Onam Celebration, Christmas festivities, or the colorful Pongal Day. Each event was a testimony to our cultural inclusivity and shared joy.

The pursuit of skill development remained paramount, evident through the seminars, workshops, and special lectures. Bloom's Taxonomy found a prominent place in our academic discourse, with multiple sessions aimed at enhancing learning experiences. Empowering our community through health initiatives, from Free Medical Camps to Eye Check-up camps, reinforced our commitment to holistic well-being.

Highlights

Celebrating the Journey

"As we reminisce about these moments, we extend our heartfelt gratitude to all participants, collaborators, and the indomitable spirit of our Annai Hajira family. Together, we have woven a tapestry of learning, growth, and camaraderie that resonates with the ethos of our institution."

About us

The aim of the Society in starting Annai Hajira Women's College is both to create an awareness among the members of the community to the imperative need for making womenfolk highly educated and make available the necessary facilities for the young women to pursue Higher Education in an environment that does not violate established norms of ethical values and tenets of Sharia. These goals of the Society are steadily being realized by the grace of Almighty.
