(A UNIT OF AS-SATHIQ EDUCATIONAL SOCIETY)

(AFFILIATED TO MANONMANIAM SUNDARANAR UNIVERSITY)

No.7

We are delighted to present the latest edition of the IQAC newsletter. As we continue our journey towards excellence, this newsletter serves as a vital platform to share updates, initiatives, and accomplishments that reinforce our commitment to quality education and institutional development.

At Annai Hajira Women's College, the Internal Quality Assurance Cell plays an integral role in fostering a culture of continuous improvement. Through collaborative efforts, we aim to ensure that our academic, administrative, and infrastructural processes align with national and global standards.

In this edition, we highlight key activities, workshops, and projects undertaken by the IQAC to further enhance the learning experience, research environment, and overall institutional quality. We also showcase the hard work of our faculty, staff, and students, who continuously strive to create an atmosphere conducive to learning, growth, and innovation.

We hope this newsletter inspires you, provides insight into our initiatives, and encourages active participation in furthering our collective goals.

The resource person, Mr.R.J.Sooraj, Senior Regional Manager at the Multi Commodity Exchange of India Ltd. (MCX), addressed the students about MCX — India's first listed commodity exchange, established in November 2003 and explained that MCX facilitates trading in commodity derivative contracts across segments such as metals, energy, and agricultural commodities.

The Department of Commerce, in association with the Internal Quality Assurance Cell (IQAC) of Annai Hajira Women's College, organized a Workshop on GST E-Filing on February 27, 2025. The session was conducted by Mr.A. Sundaramoorthy, M.Com (CA), CA Inter. Director, Values Vruksha Private Limited, Kanathur, Chennai, who served as the resource person. The workshop aimed to enhance students' practical understanding of Goods and Services Tax (GST) compliance and digital filing procedures. Mr.A. Sundaramoorthy provided detailed guidance on GST registration, return filing, invoice generation, and navigating the official GST portal. Students actively participated in the hands-on training, gaining valuable experience with e-filing tools and understanding real-time filing procedures. The session effectively bridged the gap between theoretical knowledge and industry practices, equipping commerce students with essential skills relevant to careers in accounting, taxation, and business operations.

Annai Hajira Women's College, Melapalayam, signed a Memorandum of Understanding (MoU) with Values Vruksha Private Limited, Chennai, to promote skill development, entrepreneurship, and industry-academia collaboration. The partnership aims to provide students with training, workshops, and opportunities for practical exposure in line with current industry standards.

On February 28th 2025 Annai Hajira Women's College hosted a one-day seminar titled "Revolutionizing Science and Education: The Convergence of AI and NPTEL." Organized by the Departments of Science in collaboration with NPTEL and the Institution's Innovation Council (IIC), the event aimed to educate students on the transformative role of Artificial Intelligence (AI) in education and the importance of NPTEL in expanding learning opportunities. Mrs. Mareeswari, Assistant Professor in Computer Applications at V.H.N. Senthikumara Nadar College (Autonomous), Virudhunagar highlighted the benefits of AI in modern education and detailed the NPTEL certification process, including the recognition of high achievers such as NPTEL toppers and NPTEL stars.

The Department of English and the IQAC of Annai Hajira Women's College celebrated World Grammar Day on 3rd 2025. The event aimed to encourage students to explore the intricacies of language, including the historical development of grammar rules, and to promote the use of correct grammar in both written and spoken communication. Dr. S. Subbammal @ Kala, Head of the Department, emphasized that a solid understanding of grammar contributes to better performance in writing-intensive courses. Students were also encouraged to organize fun grammar quizzes and games to test their knowledge of grammar rules and their practical application.

On March 5th 2025, eleven students from III B.Sc. Chemistry, accompanied by Dr. R. Anuradha, Assistant Professor and Head of the Department of Chemistry, visited the Sir C.V. Raman Central Instrumentation Facility at Manonmaniam Sundaranar University. The primary objective of the visit was to provide students with practical exposure to advanced instrumentation techniques and to enhance their academic knowledge in support of their final-year project work.

Annai Hajira Women's College celebrated International Women's Day on 8th March 2025 with a seminar organized by the Internal Quality Assurance Cell. The event was held for all third-year students and featured Dr. H. I. Al Zainab Fatima, MDS, Dental Specialist and Oral & Maxillofacial Pathologist, as the guest speaker. The seminar, titled "Ramadan and Women's Oral Health: A Journey to Wellness," focused on the importance of maintaining oral health during Ramadan. The Chief guest shared valuable insights on how fasting affects oral health, particularly for women, and offered practical tips for maintaining good oral hygiene during this period. The seminar was especially meaningful as it was held during the holy month of Ramadan, offering timely and relevant health guidance. It also aimed to empower women with knowledge about their health and wellness, reflecting the spirit of International Women's Day.

Annai Hajira Women's College, in collaboration with Nellai Life, celebrated World Women's Day on 12th March 2025, under the initiative of the Internal Quality Assurance Cell (IQAC). The event was honored by the presence of Rtn. Dr. S. Premachandran, President of Nellai Life Sports Club, and Mrs. Kathija Iklam Basila, Chairman of Melapalayam, Tirunelveli Corporation. The celebration featured various games and competitions organized by Nellai Life, engaging both students and faculty. Winners were awarded prizes, and academic achievers from the final year were recognized for their top performance up to the fifth semester, making the event both joyful and inspiring.

The Department of Mathematics and the Internal Quality Assurance cell (IQAC) celebrated Pi Day on 14th March 2025 with an engaging seminar by Dr.V.Sathiya, Assistant Professor, Department of Data Science, St. Xavier's Arts and Science College (Autonomous), Palayamkottai. In her talk titled "Data Science: The Future in Your Hands," Dr.V.Sathiya provided an insightful overview of the field of data science, emphasizing the rising demand for skilled professionals and the wide range of career opportunities. She also highlighted current trends in AI, machine learning, and their applications across industries, inspiring students to explore this dynamic domain.

On March 20th 2025, the Internal Quality Assurance Cell (IQAC) of Annai Hajira Women's College organized a special Ramadan Iftar Party. The event fostered unity, cultural harmony, and spiritual reflection by bringing together both teaching and non-teaching staff to celebrate the spirit of Ramadan.

IBM has signed a Memorandum of Understanding (MoU) with ICT Academy to implement its Corporate Social Responsibility (CSR) initiative aimed at skilling final-year undergraduate students in Artificial Intelligence (AI). The ICT Academy – IBM CSR training program is a collaborative effort designed to empower individuals and organizations with essential skills and knowledge in Information and Communication Technology (ICT) and social responsibility. This training program was offered to 60 students from the Departments of Computer Science, Chemistry and Mathematics from 25th March to March 27th 2025.

54 students from the Department of Chemistry, Physics, and Mathematics, accompanied by 9 faculty members, embarked on an Industrial visit cum educational tour to the Centre for Marine Science and Technology, Manonmaniam Sundaranar University, Rajakkamangalam, and Vivekananda Rock and to the India's first glass bridge to Thiruvalluvar Statue, Kanyakumari on April 8th 2025

The Valedictory Ceremony of the Students' Union for the academic year 2024–2025 was held on 17th April 2025. The Chief Guest, Mrs. E. Banu Priya, M.E., District Fire Officer, Tirunelveli in her address focused on women empowerment and highlighted the diverse roles of women in society and encouraged students to pursue excellence and prepare for competitive exams to secure government roles.

The Internal Quality Assurance Cell (IQAC), in collaboration with the Departments of Computer Science and Physics of Annai Hajira Women's College, Melapalayam, jointly organized the Earth Day celebration on April 23rd 2025. Mrs. A. Aysa Nilobar, Head, Department of Physics, insisted that Earth Day serves as a powerful reminder of our profound connection with the planet and the shared responsibility we bear as its caretakers.

The 17th graduation ceremony on 25th April 2025 was graced by the presence of three distinguished chief guests, each a leader in their respective fields. Mr. S. Lakshmanan, the Managing Director of Tecton Group, brought with him a wealth of experience in corporate leadership and global business development. Dr. Refai Showkathali, a world-renowned cardiologist, academic, and medical pioneer, added immense value to the occasion with his contributions to the field of medicine and education. Mr. R. Ilankovan, Former Chairman of CREDAI and the visionary founder of Vishaal Promoters Pvt. Ltd., inspired the audience with his exemplary achievements in the real estate and infrastructure sectors. Their presence made the ceremony truly memorable, offering students valuable insights and encouragement as they embarked on the next chapter of their lives.

The 18th Graduation Day celebration on April 26th 2025 was honored by the presence of the Chief Guest, Dr.J.Sadakkadulla who had an illustrious career spanning 35 years at the Reserve Bank of India and Janab R. Rahamathulla, Director of Radiant IAS Academy, Kallakurichi and Madukur Ramalingam, a distinguished writer and poet, as esteemed guests.

The Internal Quality Assurance Cell, in collaboration with the Departments of Physics and Computer Science, observed Book Day on 23rd April 2025. Dr. S. Sabreen Muneer, Head and Assistant Professor, Department of Tamil, delivered an insightful address on Tho. Paramasivan's seminal work "Ariyapadatha Tamizhagam." She explored how the author sheds light on the lesser-known aspects of Tamil Nadu—its mysterious landscapes, forgotten folk traditions, and everyday life-worlds often absent from mainstream historical narratives. She encouraged students to approach local history with curiosity and critical inquiry, portraying reading as an act of discovery that bridges the past and present.

The students and faculty of the College came together to bid a warm and emotional farewell to the outgoing batch of 2022–2025 batch on 28.04.2025. The event, held in the college auditorium, was filled with nostalgia, laughter, and heartfelt memories. The program began with a welcome address by Heads of the respective departments, followed by cultural performances, songs, and speeches by both juniors and seniors and a lunch hosted by the juniors. Students shared memorable experiences and expressed their gratitude to the faculty and peers who shaped their journey. The Principal of the college, addressed the gathering with inspiring words, wishing the students success in all their future endeavors. Mementos were distributed as a token of love and remembrance. The event concluded with a group photo session, creating a perfect blend of emotions and celebration as students stepped into a new chapter of life.

Six of our students have been selected by TP Solar Ltd., following the recruitment interview conducted on 17th May 2025. These students participated in the CSR Training Program organized by the company in February 2025.
