Skill Development Program on Time Management

Event Summary:

Name of the event	:	Skill Development Program on Time Management
Date of the event	:	10.01.2023
Venue	:	Auditorium
Participants	:	III year Students of all Programme

Skills development is the process of identifying skill gaps, and developing these skills. To address poverty reduction by improving employability, productivity and helping sustainable enterprise development amidst our students, our institution established Enabling Youth Enrichment (EYE). In connection with this, we organized a Skill Development Program on “Time Management”. The event began with Qirat to plead the blessings of Lord Almighty. S.Sajana Fathima of III B.A English delivered the prayer. A student of III B.Sc. Chemistry A. Basila greeted the gathering with her gracious welcome address.

Our Principal Dr.K.Rajab Fathima delivered her Presidential Address. She illuminated the outgoing students with her exemplary thoughts on Time Management. The essence of the talk was to make students realize the value of time, managing time to produce expected results. She pin pointed the tyranny of the urgent and the stressed-out student from which the listeners could analyze themselves under the four quadrants of Time Management components. The topics like Time Audit, Time Budgeting were eye opener to the students. As a crowning stroke, the helpful tips on Time Management reached the deepest mind of our students.

The event was concluded with Vote of Thanks by S.R. Ummu Aimen of III B.Sc. Physics followed by National Anthem. The whole ceremony was mastered by A.Abitha Beevi of III B.A English.

Enabling Youth Enrichment, together with IQAC, of our college, organized a Health awareness program to equip our students with knowledge regarding one's health. The mission of this program is to empower our students to take responsibility for their health, understand their health options, and identify services, thereby increasing equal access to services and products that best help them prevent and reduce poor health. The event began with Qirat S.R. Ummu Aimen of III B.Sc. Physics to plead the blessings of the Lord Almighty. A.Ashifa Sulaikal of III B.Sc. Mathematics welcomed the gathering.

Our resource person, Mrs.Sandhya Prem Shankar, delivered her special talk on the title "Women-Better Health, Better Tomorrow" through virtual mode. She gave unambiguous thoughts about obesity, insulin resistance and our regular diet. She also explained about the PCOS issues faced by 20% of our Indian women. ENABLING YOUTH ENRICHMENT

Knowledge Session on Cyber Security and POCSO Act

Event Summary:

Name of the event	:	Knowledge Session on Cyber Security and POCSO Act
Date of the event	:	14.03.2023
Venue	:	Seminar Hall
Participants	:	I and II year students

As corporate networks grow more complex, a variety of cyber security solutions are required to mitigate corporate cyber risk. In order to effectively address the atrocious crimes of sexual abuse and exploitation of children, the Ministry of Women and Child Development championed the introduction of the Protection of Children from Sexual Offences (POCSO) Act, 2012. In the present scenario, it is the responsibility of every institution to educate the students on this point. In this regard, Enabling Youth Enrichment, together with IQAC, of our college, organized a Knowledge Session on Cyber Security and the POCSO Act for all first and second year students. The event began with Qirat by Sameera T.S. of II B.Sc. Physics, to plead the blessings of the Lord Almighty. Fathima P of II B.A. English delivered the welcome address.

Dr.S.Sabreen Muneer, The Head of the Department (Tamil) and Coordinator of IQAC delivered her presidential address. She focused on Crime against Women and Children and gave a comprehensive talk on the POCSO Act and cybercrime. She created awareness about the usage of the internet and mobile phones and gave live examples about the degradation of youth in the 21st century. She encouraged the students to successfully fulfill their roles as girl children in this society. Ragapriyanka M. of II B.Sc. Physics proposed the vote of thanks, followed by the National Anthem. The whole ceremony was mastered by Thahreen Salma H of II B.Sc. Computer Science.
