22.	Gender	Seminar and Group Discussion in the Lavoise 18’ Valediction held on 29.03.2019 by Department of Chemistry	The event was organized to enhance the learning in both effective and cognitive domains and to boost communication skills, leadership quality and thinking capacity of women students so as to compete equally with men. The topic discussed was “Smart Phones – Pain or Pain Killer”.
23.	Gender	An awareness program on “Women Safety” held on 16.12.2019 by NSS	The program provided instructions regarding the utilization of the Kavalan SOS App.

Sl. No.	Type of Cross-Cutting Issue	Program	Brief Description of CCI
24.	Gender	Workshop on “Women Entrepreneurship” and “Demonstration on Art and Craft work” held on 26.02.2020 by Department of Commerce	This event was conducted to impart entrepreneurial attitude among women students and to uplift the young women through self-employment. The students were enlightened about the importance of women entrepreneurship for economic development and the challenges they have to encounter. They were also motivated to become successful entrepreneurs.
25.	Gender	International Day of Education and National Girl Child Day 2023 on 24.01.2023 by Department of Chemistry	Posters, drawings and slogans by students on the importance of education for women.
26.	Gender	International Day of Education on 24.01.2023 by Department of Commerce	Dr.N.Ammakutti @ Sridevi, Assistant Professor of Physics gave a seminar on the importance of women’s education.
27.	Gender	Celebration of International day of Women and Girls in Science on 09.02.2023 by Department of Physics	Mrs.Shanthi Kumari Pushpa, Assistant Professor of English delivered a special seminar on the title “DigitALL: Innovation and Technology for Gender Equality”.
28.	Gender	Celebrated National Science Day on 28.2.2023 Theme: The Role of Eminent Women in Science by Department of Physics	National science day is celebrated every year to commemorate the achievement of Nobel prize by Sir.Chandrasekhara Venkata Raman. In this special day Dr.K.Rajab Fathima presided over the function. She shared information about National Science Day and the role of eminent women in science through her presentation.
29.	Environment	Environmental Awareness Programme held on 11.01.2019 by Eco Club	The programme was designed to educate individuals and organizations about the importance of Environmental conservation and the potential impacts of human activities on the planet.
30.	Environment	Online quiz on “Explore Earth” conducted from 01.06.2020 to 03.06.2020 by Department of Physics	The online quiz was conducted in order to make everyone be sensitive and wide awakening about the wonder of the earth. The event was organized to kindle the young minds towards the exploration of the earth.

Sl. No.	Type of Cross-Cutting Issue	Program	Brief Description of CCI
31.	Environment	Physics Association Inauguration on 5.11.2020 in the topic "Physics in Pandemic time"	An online webinar based on environmental segments present in earth and difference between good and bad zone of various layers of earth.
32.	Environment	Earth day celebration on 22.04.2021 by Department of Chemistry, English, Physics, Computer Science	<p>Online Group Discussion on how to Restore our Earth was arranged for the Department of Chemistry Students and have taken pledge to plant trees in their locality.</p> <p>Students shared 10 ways to celebrate earth day at home in online. The theme for 2021 is "Restore our Earth". Mrs.P.S.Anitha, Mrs.P.Booma and Mrs.I.Faritha Beevi, Department of Computer Science gave a nurturing seminar on "Earth Day" virtually.</p> <p>Department of Commerce Batch II shared the information through you tube and students took pledge for saving water and electricity. Dr. S. Subbammal@Kala,</p> <p>Department of English explained the ways in which awareness could be created among common people.</p> <p>Students of Mathematics Department focus on natural processes, emerging green technology and innovative thinking.</p> <p>Department of Physics celebrated Earth Day on the theme "Restore our Earth".</p>
33.	Environment	World Environment Day on 05.06.2021 by Department of Chemistry	Special seminar on "Covid-19 and Black Fungus in the view of Environment"

Sl. No.	Type of Cross-Cutting Issue	Program	Brief Description of CCI
34.	Environment	Earth Day celebration on 22.04.2022 by Department of Commerce, Department of Chemistry and Department of Computer Science	<p>The theme for 2022 is “Invest in our Planet”.Mrs.P.S. Anitha and Mrs.I.Faritha Beevi, Department of Computer Science gave a seminar on the historic economic revolutions to save us from the climate crisis. Students presented about the Earth Day as a power point presentation.</p> <p>Mrs.N.Abirami Kaniamuthu, Department of Commerce Batch II gave some tips to prevent earth like discard plastics and plant more trees.</p> <p>Mrs.V.Nagajothi, Department of CommerceBatch I gave an awareness about the Earth Day and six ways of celebrating it.</p> <p>Department of Chemistry conducted Competitions on “Wealth from waste” to emphasize the concept of “Recycling and Reusing” the solid wastes.</p>
35.	Environment	Earth Day celebration on 23.04.2022 by Eco Club	The Eco Club celebrated 143 <sup>th</sup> world Earth Day on 23.04.2022.
36.	Environment	World Ozone Day 2022 on 16.9.22 by Department of Chemistry	Theme: Global Cooperation to protect life on Earth
37.	Environment	Celebration of World Food day 2022 on 13.10.2022 by Department of Chemistry	Students presented papers on interesting topics on Food; brought traditional snacks from home and shared
38.	Environment	World Pollution Prevention Day 2022 on 2.12.2022 by Department of Chemistry	Special seminar to follow 3 R's to reduce pollution
39.	Environment	Celebration of Energy conservation day on 23.12.2022 by Department of Physics	Mrs.A.Aysha Nilobar, Department of Physics, delivered a special talk on the essential three ways of saving energy. She emphasized renewable generation of energy, proper usage of energy and reducing the wastage.

Sl. No.	Type of Cross-Cutting Issue	Program	Brief Description of CCI
40.	Environment	Celebration of World Earth Day on 19.04.2023 Theme: Invest in our Planet by Department of Physics	The students were encouraged to give delightful speech on preserving our planet earth. Our students exposed their talents through their drawings. Also they recited a Tamil poem on our glorious habitat Earth.
41.	Environment	World Earth Day celebration held on 28.4.2023 by Department of Chemistry	Documentary film on “How the planet is changing & how to protect it?”
42.	Environment	World Earth Day celebration held on 03.05.2023 by Department of Computer Science	The theme for 2023 is “International Mother Earth Day”. Mrs. S. Shankari confers the session about the history of celebrating earth day and its significance.
43.	Human Values	Moral Instruction Forums	The principles of moral instruction enable an individual to differentiate between proper and improper things or what is right and what is wrong. The moral attributes that are glorified in society, namely integrity, honesty, loyalty, respect and hard work are broadly illustrated and explained with the hope that these values will guide them for years to come. The students gain sound knowledge about spiritual life, faith in God, human brotherhood, the essence of charity and leading a virtuous life. Deeniyat classes are conducted on all Wednesdays regularly.

Sl. No.	Type of Cross-Cutting Issue	Program	Brief Description of CCI
45.	Human Values	World Book Day celebration held on 23.04.2021 by Department of Commerce, Chemistry, Computer Science, Physics	<p>The theme for 2021 is “To share your story”. Mrs.P.S. Anitha, Department of Computer Science shared the story of “Kalki’s Ponninyin Selvan”. Students of Computer Science submitted the assignment of sharing their story.</p> <p>Dr.R.Anuradha and Dr.M.Anuratha, Department of Chemistry shared their favourite stories. Students read their favourite stories and submitted as assignment.</p> <p>Department of Physics promotes the enjoyment of reading books and sharing the knowledge.</p>
46.	Human Values	World Book Day celebration held on 23.04.2022 by Department of Commerce, Computer Science, English,Mathematics, Physics	<p>The theme for 2022 is “You are a Reader”. Mrs. A. Somasundara Vithya, Ms. K. M. N. Syed Ali Fathima and Mrs. D. Yasmeeen, Department of Computer Science gave a speech on benefits of reading books. Students talked about reading is a very active process. Dr. A. Jayashree, Department of Commerce Batch II encouraged the students to have reading habits. Students of English Department shared ideas of their favourite books. Students promoted reading, writing novels and stories and motivated them to embrace the skill of reading in their life. Department of Physics encourage the students about reading and publishing books. Mrs. P. Parvathy and Dr. R. Agalya, Department of Commerce Batch I gave a speech about the importance of book reading.</p>
47.	Human Values	International Human Rights Day on 10.12.2022 by Department of Commerce	Dr.A.Jayashree, Assistant Professor and Head, Commerce gave a seminar on “Human Rights”.
48.	Human Values	National Consumer Day on 26.12.2022 by Department of Commerce	Students gave a speech and presented power point presentation by giving awareness about consumer.

Sl. No.	Type of Cross-Cutting Issue	Program	Brief Description of CCI
49.	Human Values	Book Donation Drive on 18.01.2023 by IQAC	To improve the book reading habit of the students, a book exhibition was conducted by the students and donated to the College Library.
50.	Human Values	World Consumer Rights Day on 15.03.2023 by Department of Commerce	Dr. K. Rajab Fathima, Principal presented about the importance of Consumer Rights and discussed about the case studies.
51.	Human Values	World Book Day celebration held on 03.05.2023 by Department of Computer Science	The theme for 2023 is "Indigenous Languages". Mrs. A. Farzana enveloped the books written in native language.
52.	Human Values	Book Donation Drive on 08.05.2023 by IQAC	To improve the book reading habit of the students, a book exhibition was conducted by the students and donated to the College Library.
