ORIENTATION PROGRAM

2024 - 2025

Event Summary:

Name of the Event : Orientation Program
Date & Time of the Event : 09.07.2024 @ 2.00 P. M.

Participants : All I year students
Organized By : IQAC, AHWC
Venue : Annai Hajira Women's College

The orientation program aims to familiarize students with the institution's regulations and academic standards, introduce them to their classmates, and help them learn about other institutional members who will support their success.

The IQAC of Annai Hajira Women's College organized an orientation program on 9th July 2024 @ 2.00 P. M. Resource person Mrs. P. S. Anitha, Head, Department of Computer Science delivered a speech to all I year students regarding the **"How to overcome fear and anxiety?"**. She gave a brief overview on overcoming fear and anxiety, emphasizing the importance of understanding and managing the thoughts and behaviors that contribute to these feelings. Techniques like deep breathing, mindfulness, and cognitive-behavioral strategies can help reduce anxiety and keep you grounded.

Gradual exposure to feared situations, along with support from friends, family, or a mental health professional, can also be effective. Additionally, developing healthy habits such as regular exercise, adequate sleep, and a balanced diet contributes to emotional well-being and resilience.

OUTCOME OF THE PROGRAM: The orientation on overcoming fear and anxiety equipped students with a comprehensive understanding of these emotions, teaching them practical techniques such as deep breathing, mindfulness, and cognitive-behavioral strategies to manage and reduce anxiety. Students gain confidence through gradual exposure to feared situations and learn the importance of seeking support from friends, family, or mental health professionals. Emphasizing healthy habits like regular exercise, adequate sleep, and a balanced diet, the program will promote emotional well-being and resilience, ultimately empowering students to handle fear and anxiety effectively in both their academic and personal lives.

What is Fear?

Fear is one of the most basic human emotions. We need it to survive.

Fear helps protect us. It can be like a warning, a signal for us to be careful.

The brain reacts instantly on danger, sending signals that activate the nervous system.

Blood pumps to muscle groups to prepare the body for physical reaction – ***Fight or flight***

WORLD WIDE WEB DAY 2024

Event Summary:

- Name of the Event** : World Wide Web Day
- Date & Time** : 01.08.2024 @ 10.00 A.M
- Participants** : All students of Computer Science Department
- Organized By** : IQAC & Department of Computer Science, AHWC
- Venue** : CSC Lab, Annai Hajira Women's College

The Internal Quality Assurance Cell (IQAC) & Department of Computer Science, Annai Hajira Women's College, Melapalayam jointly organized the celebration of World Wide Web Day on 01.08.2024 at 10.00 A.M in Computer Science Lab. The Resource Person Mrs. P.S. Anitha MCA, M. Phil, Head and Assistant Professor of Computer Science, Annai Hajira Women's College, Melapalayam, Tirunelveli, delivered her technical views about World Wide Web Day highlighting the importance of World Wide Web (WWW) Day. She underscores the significance of celebrating the vast opportunities and connections facilitated by the internet.

The session started with Qirat by Yasmeen Fathima S H of II B.Sc., Computer Science. The welcome address was delivered by Mydeen Beevi Farshana of III B.Sc., Computer Science.

She insisted that it is an opportunity to educate people about the history of the web, its evolution, and the role of key figures like Tim Berners-Lee. This can inspire a greater appreciation for the technology and its pioneers. For students, the Resource person offers a variety of engaging activities, such as exploring new websites, creating their own blogs, and sharing authentic and intriguing content from the internet. They can also participate in digital online events, create digital art, and learn about internet safety. These activities not only enhance their digital skills but also promote a deeper appreciation for the interconnected world we live in. Finally, the event was completed with a Vote of Thanks delivered by Nigha Mirsha S H, III B.Sc Computer Science.

Outcome of the program:

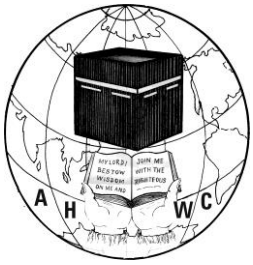

The celebration of World Wide Web raises awareness about the significance of the World Wide Web in our daily lives and its impact on communication, commerce, education, and entertainment. It can promote digital literacy and encourage responsible use of the internet, highlighting issues like cybersecurity, privacy, and digital ethics. Moreover, it can inspire individuals and organizations to contribute to the web's ongoing development and improvement, fostering innovation and creativity.

Mrs. P.S. Anitha MCA, M. Phil, Head and Assistant Professor of Computer Science, Annai Hajira Women's College, Melapalayam, Tirunelveli, delivered her technical views about World Wide Web Day.

G-WIZ Association Inauguration - 2024

Event Summary:

Name of the Event : Webinar on Artificial Intelligence and its Influence on Society

Date & Time of the Event : 03.08.2024 @ 10.00 A.M

Participants : All Students of Computer Science Department

Organized By : Department of Computer Science, AHWC

Venue : CSC LAB, Annai Hajira Women's College

Link : <https://meet.google.com/ope-unjv-oxo>

The webinar titled "Artificial Intelligence and its Influence on Society" was hosted by the GWIZ Association of the Department of Computer Science at Annai Hajira Women's College, Melapalayam, Tirunelveli, on August 3, 2024, at 10:00 A.M. in the CSC Lab. The session began with a Qirat recitation by Arshidha from III B.Sc Computer Science, followed by a welcome address delivered by Hameedha Banu K N from II B.Sc Computer Science. Dr. K. Rajab Fathima, Ph.D., Principal of Annai Hajira Women's College, then gave the presidential address.

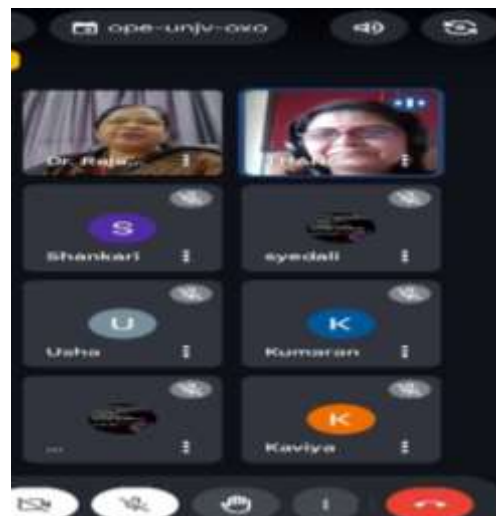

Dr. S. Thangam, Ph.D., Associate Professor, Selection Grade at the Amrita School of Computing, Amrita University, Bengaluru, discussed the breadth of human intelligence, emphasizing its role in learning from experience, adapting to new situations, understanding and managing abstract concepts, and applying knowledge to influence and control the environment. The session continued with Dr. U. Kumaran, M.E., Ph.D., M.I.S.T.E., Research Dissemination Coordinator and Assistant Professor, Selection Grade in the Department of Computer Science & Engineering at the same institution. Dr. Kumaran focused on the societal impact of AI, exploring

how it is transforming the present and shaping the future. He discussed the evolution of AI, its applications in fields such as healthcare, transportation, logistics, and robotics, and also addressed the future prospects of AI.

The session concluded with an engaging Question & Answer segment where students actively participated by posing questions on various aspects of AI. The resource speaker responded with enthusiasm, addressing each query thoroughly, contributing to the overall informative and interactive nature of the session. The webinar was highly informative and engaging, enriched by active student participation. The Vote of Thanks was delivered by Nigha Mirsha H from III B.Sc Computer Science.

Outcome of the Programme

The webinar on "Artificial Intelligence and its Influence on Society" was a great success. It provided students with a clear understanding of AI and its capabilities. They learned about various real-world applications of AI in healthcare, transportation, logistics, and robotics. Additionally, they were introduced to neural network concepts such as Artificial Neural Networks (ANN), Convolutional Neural Networks (CNN), and Deep Neural Networks (DNN). Discussions on AI's future prospects inspired students to consider careers and research in this field. The interactive Q&A session allowed students to engage directly with experts, making the event dynamic and informative. Overall, the webinar was very educational and encouraged students to explore AI further, while also fostering connections between students, faculty, and industry experts.

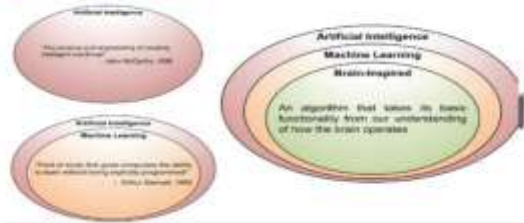

Biological Neuron

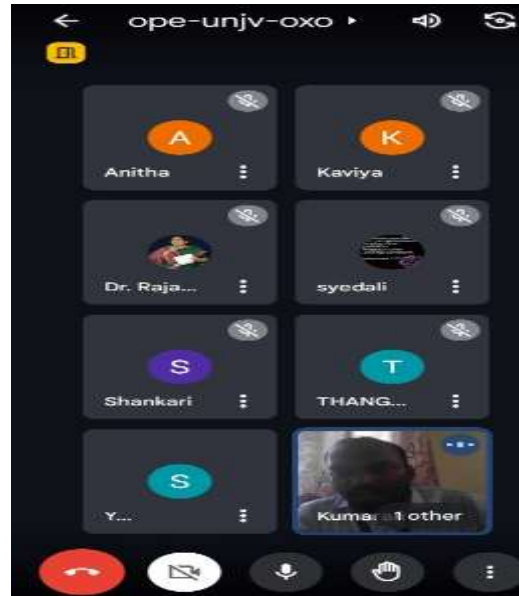

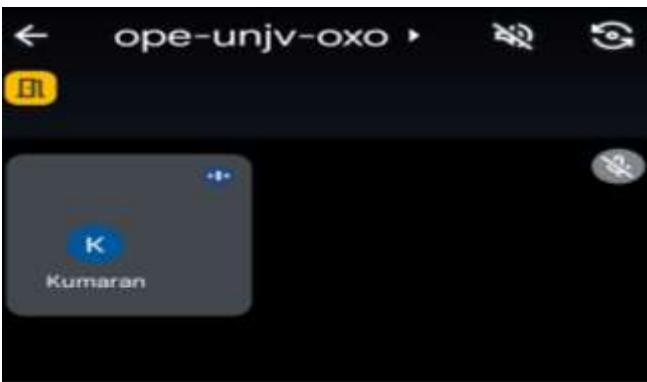

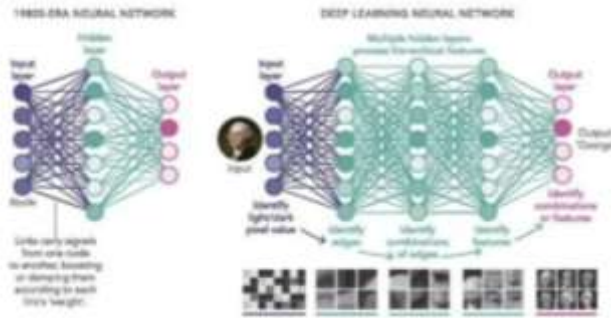

- The basic computational unit of the brain is a neuron
→ 86B neurons in the brain
- Neurons are connected with nearly 10^{14} – 10^{15} synapses
- Neurons receive input signal from **dendrites** and produce output signal along **axon**, which interact with the dendrites of other neurons via **synaptic weights**
- Synaptic weights – learnable & control influence strength

Artificial intelligence (AI)

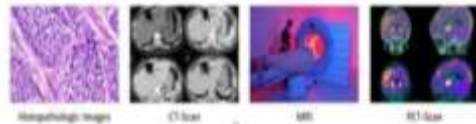

Deep Neural Networks

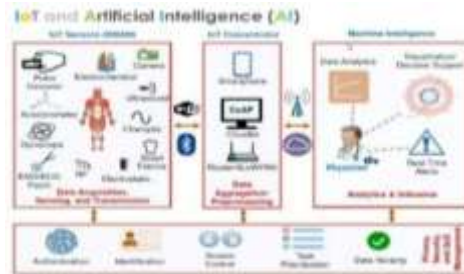

What does a Deep Neural Network needs to be trained?

BIG DATA

How much data?
So much that we get our desired result!

Dr. S. Thangam & Dr. U. Kumaran underscores the technical views on societal impact of AI

ICT Academy & Department of Computer Science

Name of the Event	: Faculty Development Programme
Date	: 05.08.2024 - 07.08.2024
Time of the Event	: 10.00 A. M to 4.00 P. M.
Participants	: Faculty Members from AHWC & Other Colleges
Organized By	: ICT Academy & Department of Computer Science, AHWC
Venue	: Seminar Hall, Annai Hajira Women's College

The three-day Faculty Development Programme (FDP) on Team Building and Management, jointly organized by ICT Academy and the Department of Computer Science at Annai Hajira Women's College, successfully commenced on August 5, 2024.

The inaugural session began with a Qirat by Yasmeen Fathima S.H., a student and Joint Secretary from II B.Sc Computer Science. Mrs. P. S. Anitha, Head & Assistant Professor, ICT Coordinator, Department of Computer Science, delivered the welcome address. Haji Er. S. K. Syed Ahamed, President of the college, gave the presidential address, and Haji O. K. Jafar Sauthik, Treasurer, felicitated the gathering. Mr. K. Mohammed Riyazudeen, Assistant Professor, Department of Computer Science, Sadakathullah Appa College (Autonomous), Tirunelveli, delivered a felicitation address highlighting three key potentials needed for an effective teacher. Mrs. M. Usha, Assistant Professor, Department of Computer Science, delivered the vote of thanks for the inaugural session.

Day 1: The first day's session began with an introduction game activity led by Ms. A. P. Arul Jothi, a Soft Skill Trainer from ICT Academy. A total of 39 participants from 14 colleges attended. All participants were divided into four groups for the gaming activities. Following the introductory game, Ms. A. P. Arul Jothi conducted a session on the principles of

team dynamics, emphasizing the stages of team development and the roles of individual team members. The day concluded with a group discussion on best practices for building cohesive teams in an academic environment.

Day 2: The second day's activities started with a survival activity that challenged participants to work together and think critically. This was followed by a detailed presentation on the characteristics of a team, its advantages, and the skills required. After the presentation, participants engaged in a role-playing exercise where they practiced conflict resolution techniques. The afternoon session included a workshop on effective communication strategies, led by an expert from ICT Academy. The day ended with another engaging gaming activity designed to reinforce the day's lessons.

Day 3: The final day began with a session on the action plan required for a leader, used as a leadership tool, followed by an advertisement activity where participants created and presented mock advertisements promoting teamwork and leadership qualities. Participants then attended a seminar on innovative team management techniques, which included case studies of successful team projects in various industries. The programme concluded with a valedictory function. Mrs. S. Shankari, Assistant Professor, Department of Computer Science, welcomed the gathering. Haji S. K. Syed Ahamed, President of the college, once again felicitated the gathering. Dr. V. Subha, Associate Professor and Director of the Center for Computing at MS University, delivered the valedictory address. Mrs. P. S. Anitha, Head & Assistant Professor, ICT Coordinator, Department of Computer Science, delivered the vote of thanks. The session ended with the national anthem.

Outcome of the program:

Participants gained a deeper understanding of team dynamics and the importance of effective team management. Faculty members developed practical skills for leading and managing teams.

The programme fostered a sense of community and collaboration among participants. Participants were equipped with strategies for resolving conflicts and enhancing team performance.

G-WIZ ASSOCIATION 2024

Event Summary:

Name of the Event	: Master Power BI to Transform Business and Industrial Challenges
Date & Time of the Event	: 09.08.2024 @ 10.00 A.M
Participants	: All students from Departments of Computer Science/Mathematics/Physics, Chemistry & Final year Students from Department of Commerce (Batch I & II)
Organized By	: Department of Computer Science, AHWC
Venue	: Seminar Hall, Annai Hajira Women's College

A one-day seminar on "Master Power BI to Transform Business and Industrial Challenges" was organized by the Department of Computer Science, Annai Hajira Women's College, on 09.08.2024 at 10.A.M. in Seminar Hall. The students from the departments of Mathematics, Physics, Chemistry, Computer Science and III year from Department of Commerce (Batch I & II) participated in this seminar. The session started with Qirat by Yasmeen Fathima II B. Sc Computer Science. Then, Mrs. M. Usha, Assistant Professor, Department of Computer Science, delivered the welcome address.

Our Honourable President Haji. Er. S.K. Syed Ahmed felicitated the gathering. The Key Speaker Mr. Basheer Mohideen, Senior Consultant, Project Control Reporting and Project Management, Oil and Gas Industry, UAE, Founder of Discover Datum and Data Enthusiast, shared valuable expertise and practical advice, emphasizing the importance of Power BI's transformative impact on business decision-making, creating effective data visualization techniques and advanced analytics and modelling capabilities. He delivered the Real-world applications of the business and industrial challenges.

The Resource person underscores detailed information on how to prepare familiar data in an Excel sheet, Importing Excel data into Power BI, Transforming and cleaning data, if needed, methods for creating Visualizations, Publishing the report, and finally he introducing the Power BI

service to setup dashboards, create data alerts for business purposes. This seminar equipped our students with the skills to leverage Power BI for data-driven decision-making and pave the way for data-driven transformation in their future endeavors.

Nigha Mirsha H, “G- Wiz the Computer Science Association” - Secretary, III B. Sc Computer Science delivered the vote of thanks, expressing gratitude to the organizers, speaker, and participants for making the seminar a success.

Outcome of the program:

Learning the industry leading Power BI skills such as Power Pivot, Power Query, Power Views opens up exciting career prospects in data analysis and visualization. It bridges the gap between data and decision-making to provide Data-driven Insights.

Event Summary:

Name of the Event	: International Programmers' Day
Date & Time of the Event	: 12.09.2024 @ 10.00 A.M
Participants	: Students of Computer Science Department
Organized By	: IQAC & Department of Computer Science
Venue	: CSC Lab, Annai Hajira Women's College

Internal Quality Assurance Cell (IQAC) & Department of Computer Science, Annai

Hajira Women's College, Melapalayam jointly organized the celebration of *International Programmers' Day* on **12.09.2024 at 10.00 A.M** in the *Computer Science Lab*. The resource person for the session, Dr. K.M.N. Syed Ali Fathima, Assistant Professor of Computer Science at Annai Hajira Women's College, Melapalayam, Tirunelveli, delivered an insightful talk on the significance of Programmers' Day.

The session began with a recitation of the *Qirat* by Marzooqa S A, a student from III B.Sc. Computer Science. This was followed by the welcome address delivered by Ayesha Barvin M, also from III B.Sc. Computer Science.

During her talk, Dr. Syed Ali Fathima highlighted several key points, including the history of programmers and their crucial role in advancing technology. She explained the

significance of *Programmers' Day* and the reasons for celebrating it. The importance of organizing hackathons, sharing coding tips, writing blog posts, and creating new projects were also emphasized as valuable activities for the day. Additionally, she encouraged students to attend tech talks, hackathons, meetups, and networking events to stay connected with the broader tech community.

Al Haseena A and Arshidha A from III B.Sc. Computer Science presented an introduction to PHP programming, while Asma Parvin S and Marzooqa S A from the same class gave an overview of Java programming. Roselin Fathima and Yasmeen Fathima S H from III B.Sc. discussed the features of HTML, and Ahmed Nisha P K and Samrin Hasraa S from I B.Sc. Computer Science gave an introduction to Python programming.

The event concluded with a vote of thanks delivered by Hameedha Banu K N, II B.Sc. Computer Science.

Outcome of the Programme: Celebrating *Programmers' Day* can inspire aspiring coders and students to pursue careers in technology, contributing to the growth of the next generation of innovators. It provides an opportunity to recognize and appreciate the hard work and creativity of developers who drive advancements in software and digital solutions. Events, workshops, and coding challenges organized on *Programmers' Day* allow participants to enhance their skills, stay updated on the latest trends, and explore new tools and technologies.

Event Summary:

Name of the Event	: National Google.com Day
Date & Time of the Event	: 19.09.2024 @ 10.00 A.M
Participants	: All students of Computer Science Department
Organized By	: IQAC & Department of Computer Science, AHWC
Venue	: CSC Lab, Annai Hajira Women's College

Internal Quality Assurance Cell (IQAC) & Department of Computer Science, Annai Hajira Women's College, Melapalayam jointly organized the celebration of **National Google.com Day** on **19th September 2024** at **10:00 A.M.** in the Computer Science Lab. The resource person, **Ms.S.Kaviya, Assistant Professor of Computer Science** at Annai Hajira Women's College, Melapalayam, Tirunelveli, shared her insights on the occasion.

Although **Google.com Day** is officially celebrated on **15th September**, the event was rescheduled to **19th September 2024** since the original date fell on a Sunday.

The session began with a **Qirat** recitation by **Afrin Fathima P** of III B.Sc. Computer Science, followed by a **welcome address** delivered by **Wajeeha Nilofer K** of III B.Sc. Computer Science.

Ms. Kaviya provided a comprehensive introduction to **Google.com**, tracing the historical timeline of Google from its inception to its current global dominance. She emphasized the leadership styles and contributions of various **CEOs** who have guided Google over the years. The session also delved into the creative design process behind the **Google logo**, exploring the significance of its distinctive color scheme.

Ms. S. Kaviya explained **Google's PageRank algorithm**, a core technology behind the success of its search engine, and discussed the evolution and significance of **Google Doodles**. She also introduced participants to a range of Google's web services and shared practical tips

for optimizing **Google Search**. The event concluded with a **Vote of Thanks** delivered by **Nigha Mirsha H** of III B.Sc. Computer Science.

Outcome of the Programme

- Students gained an understanding of Google's journey from its inception to its current position as a global tech leader.
- The session enhanced students' knowledge of the **PageRank algorithm** and its revolutionary role in web search.
- students learned about the wide range of **Google's web services**, from search to cloud computing, and picked up valuable **Google Search** tips and tricks to improve their digital literacy.
- The discussion on **Google Doodles** fostered creative thinking, inspiring participants to appreciate artistic and innovative expressions.

Event Summary:

- Name of the Event** : Cyber Security Awareness Month
- Date & Time of the Event** : 05.10.2024 @ 11.30 A.M
- Participants** : All students of Computer Science Department
- Organized By** : IQAC & Department of Computer Science, AHWC
- Venue** : CSC Lab, Annai Hajira Women's College

The Internal Quality Assurance Cell (IQAC) and the Department of Computer Science at Annai Hajira Women's College, Melapalayam, jointly organized Cyber Security Awareness Day on October 5, 2024, at 11:30 AM in the Computer Science Lab.

The session began with a Qirat recitation by Al Haseena A of III B.Sc. Computer Science, followed by a welcome address delivered by Shajitha Jameena N of III B.Sc. Computer Science.

Arshidha A and Marzooqa S A, from III B.Sc. Computer Science, presented on the topic "**Cyber Security: Safeguarding the Digital Landscape.**" They discussed essential cybersecurity practices, such as building a robust security framework, maintaining access control and identity management, encrypting and protecting data, configuring network security and firewalls, and implementing incident response and disaster recovery strategies.

Next, Asma Parvin S and Nigha Mirsha H, from III B.Sc. Computer Science, presented on "**Understanding Cyber Threats: A Comprehensive Overview.**" They covered various types of threats and vulnerabilities, motivations behind cyberattacks, tactics used

in malware, the impact of ransomware attacks, and threats such as phishing, social engineering, and DDoS attacks. Additionally, they shared best practices for enhancing cybersecurity defences. Safiya Fathima S K and Raheema Sithika M from I B.Sc. Computer Science gave an introduction to cybersecurity, discussing different types of security and the role of AI in enhancing cybersecurity measures.

The session concluded with a vote of thanks by Mydeen Beevi Farshana S of III B.Sc. Computer Science.

Outcome of the program: This event encouraged students to adopt safer online practices, such as using strong passwords and enabling two-factor authentication. The participants gained a deeper understanding of cybersecurity threats and best practices, leading to a more informed community. The session raised awareness about securing valuable resources, tools, and information to help individuals and organizations strengthen their cybersecurity posture. Students were also better prepared to respond to cyber incidents and became more familiar with incident response protocols.

Students presented cyber security practices during the celebration of Cyber Security Awareness month on 5 October 2024

Event Summary:

Name of the Event	: Inbox Zero Day
Date & Time of the Event	: 07.10.2024 @ 12.00 P.M
Participants	: All students of Computer Science Department
Organized By	: IQAC & Department of Computer Science, AHWC
Venue	: CSC Lab, Annai Hajira Women's College

The Internal Quality Assurance Cell (IQAC) and the Department of Computer Science at Annai Hajira Women's College, Melapalayam, jointly organized the celebration of **Inbox Zero Day** on October 7, 2024, at 12:00 PM in the Computer Science Lab. Although Inbox Zero Day is officially observed on October 6, the event was rescheduled to October 7, 2024, as the original date fell on a Sunday.

The session began with a Qirat recitation by Yasmeen Fathima S H of II B.Sc. Computer Science, followed by a welcome address delivered by Nigha Mirsha H of III B.Sc. Computer Science.

The resource person, Mrs. S. Shankari, Assistant Professor in the Department of Computer Science, explained the significance of **Inbox Zero Day**. She highlighted the increasing role that emails play in both academic and professional life, and how poorly managed inboxes can lead to stress, decreased productivity, and missed opportunities. By adopting the **Inbox Zero** method, individuals can regain control over their email habits and improve their overall time management.

Mrs. Shankari focused on several key aspects of the **Inbox Zero** philosophy:

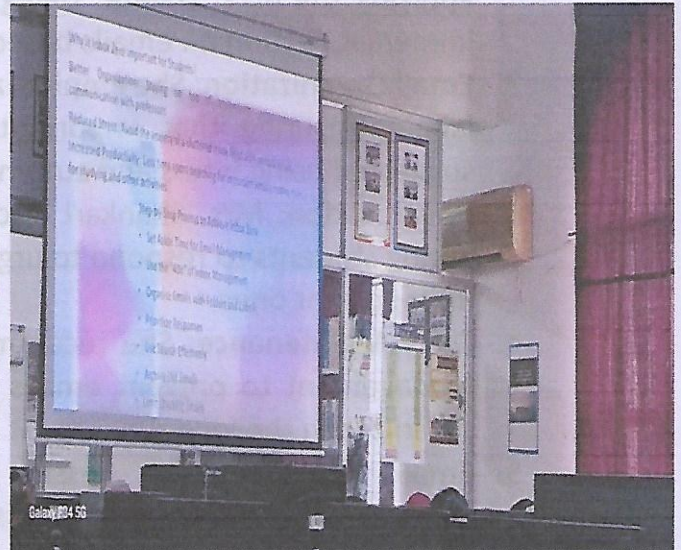

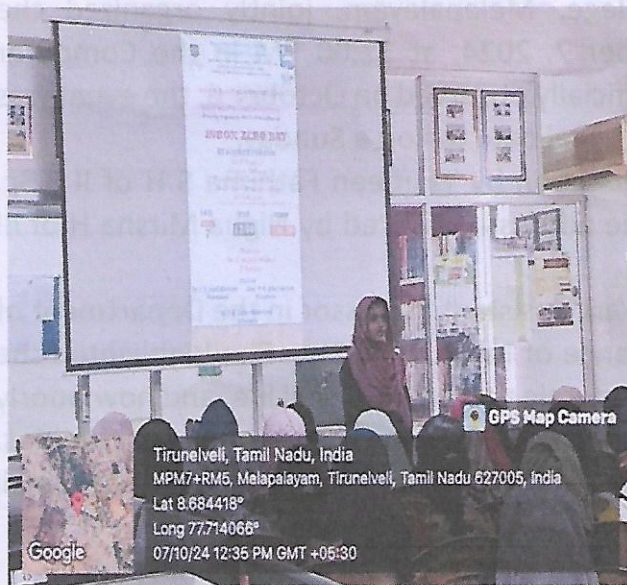

1. **The 4D's Approach:** She introduced the method of handling incoming emails by applying the 4D's: **Delete, Delegate, Do, and Defer**. This system encourages immediate action on emails based on their priority.
2. **Email Organization:** She emphasized the need to organize emails into folders or labels, ensuring that important communications are easy to locate. She suggested using filters and automated rules to minimize clutter.
3. **Prioritization:** Mrs. Shankari discussed the importance of prioritizing emails, urging students to respond to urgent messages first while archiving or deleting unimportant ones.
4. **Daily Maintenance:** She recommended establishing a daily routine of inbox management to prevent emails from piling up, ensuring that students stay organized in the long run.
5. **Email Etiquette:** The session also covered best practices for email communication, including concise subject lines, clear content, and proper formatting, which can help reduce unnecessary back-and-forth messages.

The session concluded with a vote of thanks proposed by Krishnaveni A of II B.Sc. Computer Science.

Programme Outcomes:

The students gained valuable insights into managing their emails efficiently and reducing inbox clutter through effective strategies. By applying the principles of Inbox Zero, they will be able to allocate less time to email management and focus more on productive tasks, ultimately improving their overall performance. Additionally, a clean and organized inbox reduces email-related anxiety, allowing students to feel more in control of their digital communications. The session also promoted better time management, sustainable email discipline, and improved communication skills.

By celebrating **Inbox Zero Day**, the students became more aware of the importance of maintaining digital hygiene, creating habits that will benefit them in their academic journeys and future careers. This initiative helped students understand how a clutter-free inbox not only boosts productivity but also fosters a sense of mental clarity and control over daily tasks.

Mrs. S. Shankari, Assistant Professor of Computer Science Department highlighted the valuable insights on managing emails efficiently on Inbox Zero Day

Event Summary:

- Name of the Event** : Computer Security Day
Date & Time of the Event : 07.12.2024 @ 10.00 A.M
Participants : All students of Computer Science
Department
Organized By : IQAC & Department of Computer Science
Venue : CSC Lab, Annai Hajira Women's College

The Internal Quality Assurance Cell (IQAC) and the Department of Computer Science at Annai Hajira Women's College, Melapalayam, jointly organized the Computer Security Day celebration on 7th December 2024 at 10:00 A.M. in the Computer Science Lab.

The session began with the recitation of the *Qirat* by Mydeen Beevi Farshana S, a student of III B.Sc. Computer Science. This was followed by a welcome address delivered by Yasmeen Fathima S H from II B.Sc. Computer Science.

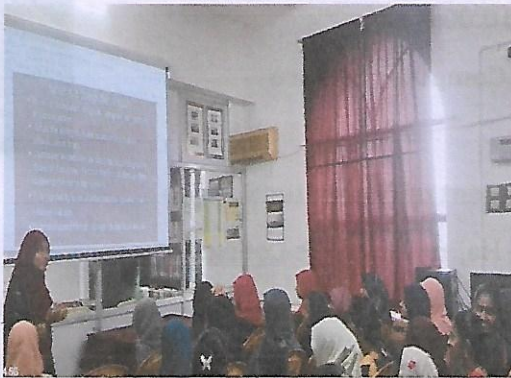

As part of the program, Asma Parvin S and Aarthi M from III B.Sc. Computer Science delivered an insightful presentation on various aspects of computer security. They discussed the importance of security, common threats, and practical steps to protect devices and online accounts such as Gmail. Afrin Fathima I and Shajitha Jameema N, also from III B.Sc. Computer Science, provided an overview of computer security, including types of viruses, their impact on systems, and methods to safeguard against them.

A creative segment followed, with Marzooqa S A from III B.Sc. showcasing a poster themed on creating strong passwords and ensuring proper account logouts before leaving a device. Jarin Fathima M from II B.Sc. Computer Science contributed a pencil drawing emphasizing awareness about computer viruses.

The event concluded with a vote of thanks delivered by Rasool Alfiya J from III B.Sc. Computer Science.

Outcome of the Programme

Computer Security Day emphasized the importance of taking proactive steps to enhance digital security. Participants were encouraged to adopt simple yet effective measures such as updating passwords, enabling two-factor authentication, installing security software, backing up data, and exploring cybersecurity resources. These practical actions aim to strengthen digital defenses and raise awareness about safeguarding personal and organizational information.

Event Summary:

Name of the Event	: Computer Literacy Day
Date & Time of the Event	: 11.12.2024 @ 10.00 A.M
Participants	: All students of Computer Science Department
Organized By	: IQAC & Department of Computer Science
Venue	: CSC Lab, Annai Hajira Women's College

The Internal Quality Assurance Cell (IQAC) and the Department of Computer Science at Annai Hajira Women's College, Melapalayam, jointly organized the celebration of Computer Literacy Day on 11th December 2024 at 10:00 A.M. in the Computer Science Lab.

The session commenced with the recitation of the *Qirat* by Al-Haseena A, a student of III B.Sc. Computer Science. This was followed by a warm welcome address delivered by Shajitha Jameema N, from III B.Sc. Computer Science.

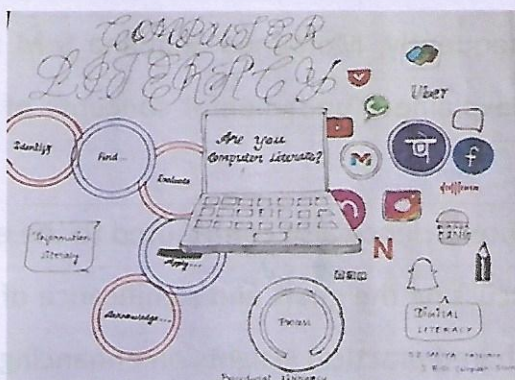

To mark the occasion, Mohamed Ameer Abrose M and Syed Mursitha Fathima S M from III B.Sc. Computer Science introduced the audience to the purpose and mission of Computer Literacy Day. Subsequently, Mohamed Shabana S M and Hajira Thasneem J provided an overview and explained fundamental concepts of computer literacy.

Students from I B.Sc. Computer Science also contributed to the event, with Thahira N and Sumaiya Hameedha M discussing the goals and significance of computer literacy. Safrin S and Suvairiya K further shared practical insights on enhancing computer

skills. The event concluded with a vote of thanks delivered by Santhana Muthulakshmi P of III B.Sc. Computer Science.

Outcome of the Programme

The celebration of Computer Literacy Day inspired students to participate in competitions and showcase their talents. It provided opportunities for acquiring new technical skills, fostering critical evaluation of online information, and encouraging active engagement in digital discussions. Moreover, the event emphasized the importance of computer education, raised awareness about digital skills, and aimed to bridge the digital divide by enhancing access to computer knowledge.

Event Summary:

Name of the Event	: Computer Education Week
Date & Time of the Event	: 03.01.2025 @ 10.00 A.M
Participants	: All students of Computer Science Department
Organized By	: IQAC & Department of Computer Science, AHWC
Venue	: CSC Lab, Annai Hajira Women's College

The Internal Quality Assurance Cell (IQAC) and the Department of Computer Science at Annai Hajira Women's College, Melapalayam, co-hosted the celebration of Computer Science Education Week on January 3, 2025, at 10:00 AM in the Computer Science Lab. Dr. N. Ammakutti @ Sridevi, Assistant Professor of Physics at Annai Hajira Women's College, Melapalayam, Tirunelveli, shared her technical expertise and engaged participants in interactive activities focused on computer education during the session.

The session commenced with a Qirat recitation by Hajira Thasneem J from III B.Sc. Computer Science, followed by a welcome address delivered by Jasrin Fathima S from III B.Sc. Computer Science.

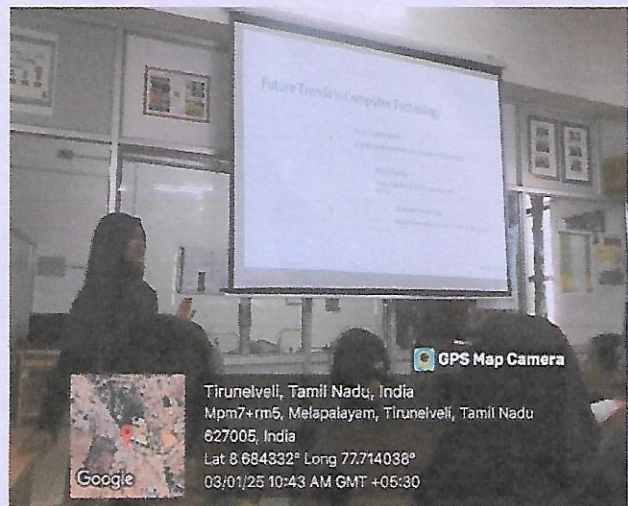

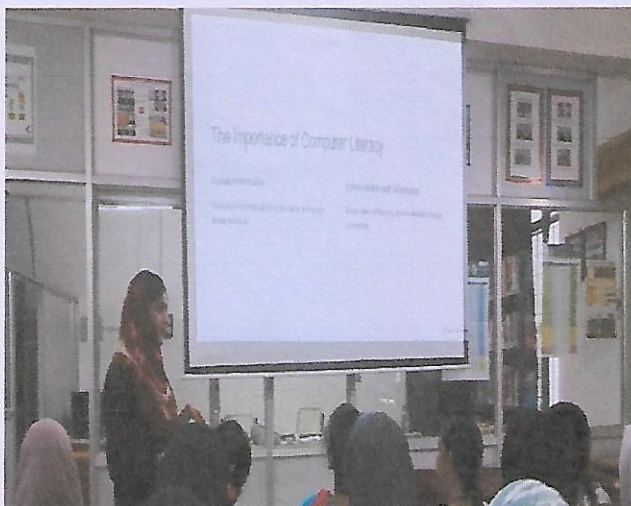

Dr. N. Ammakutti @ Sridevi highlighted several important topics, including the significance of coding hours and the wide range of coding applications. She discussed the impact of computer-related technologies and the reasons behind celebrating them. Additionally, she emphasized the importance of organizing computer games and using one's knowledge to contribute to society. Writing code, improving coding skills, and fostering new innovations were also identified as key aspects of celebrating computer science. To conclude, she encouraged active participation in events like games, buzzword challenges, meetups, and networking sessions to stay connected with the tech community.

Jumana Haseen M and Mohamed Farital Alfina P from III B.Sc. Computer Science discussed about the journey into the digital world, emphasizing the importance of computer skills and future technology trends. Aysha Shafiya S and Indhu Bharathi B, also from III B.Sc. Computer Science, provided an insightful overview of computer technology, focusing on online platforms and programming for the future to advance computer education. Krishnaveni A and Benezia Judith J from II B.Sc. Computer Science talked about online safety and the ongoing digitization of technology. The event concluded with a Vote of Thanks presented by Mariam Mirza K from III B.Sc. Computer Science.

Programme Outcomes:

Celebrating Computer Education Week serves to motivate aspiring coders and students to explore careers in technology, contributing to the development of the next generation of innovators. This event marks important milestones in computer science,

coinciding with the annual celebration of Grace Hopper's birthday. Grace Hopper, renowned for creating the first compiler—a pivotal tool that translates human language into machine code—and for coining the term "bug" to describe program errors, continues to be a foundational figure in the field. A key initiative is working to integrate computer science education into essential K-12.

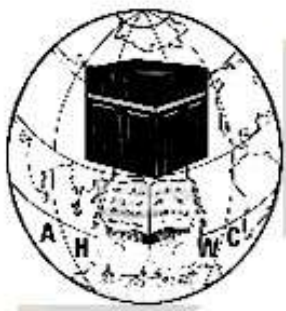

The keynote speaker Dr. N. Ammakutti @ Sridevi, Assistant Professor, Department of physics and students of B. Sc Computer Science presenting their Ideas about Computer Education on January 3, 2025

Event Summary:

Name of the Event	: National Technology Day
Date & Time of the Event	: 28.01.2025 @ 02.00 P.M
Participants	: All students of Computer Science Department
Organized By	: IQAC & Department of Computer Science
Venue	: CSC Lab, Annai Hajira Women's College

The Internal Quality Assurance Cell (IQAC) and the Department of Computer Science at Annai Hajira Women's College, Melapalayam, jointly organized the celebration of National Technology Day on January 28, 2025, at 2:00 PM in the Computer Science Lab. Mrs. M. Usha, Assistant Professor of Computer Science at Annai Hajira Women's College, Melapalayam, Tirunelveli, served as the resource person and delivered an insightful talk on the importance of Technology Day.

The session began with a Qirat recitation by Rubina S, a III B.Sc. Computer Science student. This was followed by a welcome address delivered by Shajitha Jameema N, also from III B.Sc. Computer Science.

In her talk, Mrs. M. Usha highlighted several key points, including the history of technology and its pivotal role in driving advancements. She explained the significance of Technology Day and the reasons behind its celebration. The importance of science and technology, healthcare innovations within these fields, sharing coding tips, writing blog posts, and creating new projects were also emphasized as valuable activities for the day. Additionally, she discussed AI tools, emerging technologies, and the importance of networking events to stay connected with the wider tech community.

Mydeen Faritha M and Afrin Fathima P from III B.Sc. Computer Science presented on how technology is disrupting traditional industries and the evolution of technology. Meanwhile, Umu Salma S and Mohamed Murzeedha J, also from III B.Sc., discussed the impact of technological development on society and the importance of STEM (Science, Technology, Engineering & Mathematics). Aareefa Bismi M K and Jumana M from I B.Sc. Computer Science highlighted the role of technology in everyday life and its development.

The event concluded with a vote of thanks delivered by Mohamed Ameer Abrose M, III B.Sc. Computer Science.

Outcome of the Programme:

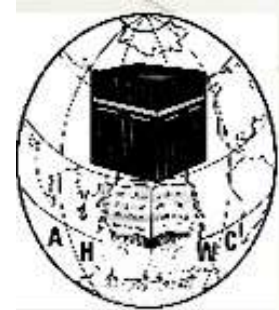

Celebrating National Technology Day are presented to outstanding scientists, engineers, and innovators. Recognition boosts morale and encourages further research and development (R&D) in various technological fields. New innovations in areas like AI, space technology, healthcare, and defense are showcased. Encouragement for startups and academic institutions to contribute to cutting-edge technology. Awareness about emerging technologies like quantum computing, cybersecurity, and renewable energy.

Event Summary:

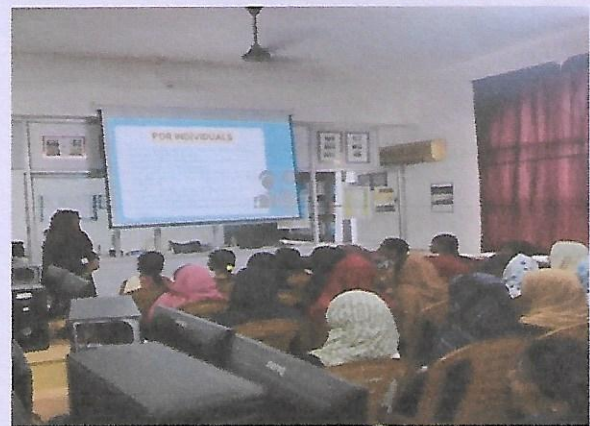

Name of the Event	: Data Protection Day
Date & Time of the Event	: 31.01.2025 @ 10.00 A.M
Participants	: All students of Computer Science Department
Organized By	: IQAC & Department of Computer Science
Venue	: CSC Lab, Annai Hajira Women's College

The Internal Quality Assurance Cell (IQAC) and the Department of Computer Science at Annai Hajira Women's College jointly organized a Data Protection Day celebration on January 31, 2025. The event was aimed to raise awareness about the importance of data protection and security among students and faculty members. The event commenced with a Qirat recitation by Jasrin Fathima S, III B.Sc. Computer Science. Wajeha Nilofer K, from III B.Sc. Computer Science, delivered a warm welcome to the gathering.

Ms. S. Kaviya, Assistant Professor of Computer Science at Annai Hajira Women's College, served as the resource person and delivered a keynote address on data protection. Her insightful talk highlighted the significance and history of data protection, the ways in which personal data is collected, and the issue of data breaches. She also elaborated on the technologies used to safeguard data and the purpose behind celebrating Data Protection Day.

Students from the Department of Computer Science presented on various topics related to data protection and security. Jebina R and Muppudathi K from III B.Sc Computer Science gave a presentation on the significance of celebrating Data Protection Day. Arul Fastina J and Santhana Muthulakshmi P, from III B.Sc Computer Science discussed about online safety and cybersecurity. Aabitha Banu A K, Ameenal Yasmin L from II B. Sc Computer Science explored the future of data protection. Abitha Parvin M and Pitchammal Begam J H from I B.Sc. Computer Science highlighted the importance of raising awareness about data privacy challenges. The event concluded with a vote of thanks delivered by Mydeen Beevi Farshana M, III B.Sc Computer Science.

Outcome of the Programme:The Data Protection Day program successfully raised awareness about the significance of data privacy and security among participants. Students gained valuable insights into the history and importance of data protection, the risks associated with data breaches, and the role of technology in safeguarding personal information. The session also highlighted practical measures individuals can take to enhance data security in their daily lives.

National Science Day Celebration 2025

One day Seminar on Revolutionizing Science and Education: The Convergence of AI and NPTEL

Event Summary:

Name of the event	:	One day Seminar on Revolutionizing Science and Education: The Convergence of AI and NPTEL
Date and Time of the event	:	28.02.2025 @ 10.30 a.m.
Venue	:	Seminar Hall
Participants	:	All the Students of Science Stream
Outcome	:	The students were able to Understand AI's role in modern learning. Explore NPTEL for skill enhancement. Clarify doubts about NPTEL certifications and AI, inspiring them to utilize online learning opportunities.

National Science Day is celebrated every year on February 28th to commemorate the discovery of the Raman Effect by Sir C.V. Raman, which earned him the Nobel Prize in Physics in 1930. This day serves as an opportunity to promote scientific awareness and recognize the contributions of science to society.

To mark this occasion, Annai Hajira Women's College organized a one-day seminar titled "Revolutionizing Science and Education: The Convergence of AI and NPTEL" on February 28th, 2025, at 10:30 a.m. The event was organized by the Departments of Science in collaboration with NPTEL and the Institution's Innovation Council (IIC). It aimed to educate students about the impact of Artificial Intelligence (AI) in education and the significance of NPTEL in enhancing learning opportunities.

The program commenced with a Qirat by Yasmeen Fathima SH of II B.Sc. Computer Science, followed by the Tamizhthai Vazhthu. Mohamed Irfana K of I B.Sc. Chemistry delivered the welcome address. The presidential address was given by the Principal Dr. K. Rajab Fathima, where she emphasized the importance of course completion without discontinuation, urging students to remain committed to their learning journey. She also highlighted the significance of communication skills, stressing that proficiency in English would enhance academic success and career prospects. Following this, Dr. R. Anuradha, Assistant Professor and Head of the Department of Chemistry, introduced the chief guest, Mrs. A. Mareeswari, Assistant Professor in Computer Applications at V.H.N. Senthikumara Nadar College (Autonomous), Virudhunagar.

In her keynote address, Mrs. Mareeswari elaborated on the role of AI in modern education and the benefits of NPTEL as a digital learning platform. She provided insights into the NPTEL certification process and explained the different categories of achievers, including NPTEL toppers and NPTEL stars, who have excelled in multiple courses. Students actively engaged by asking questions about NPTEL courses, the certification process, and the growing influence of AI in education. Mrs. Mareeswari addressed their queries, offering valuable insights and encouraging them to utilize these platforms to enhance their skills and knowledge.

The event concluded with a vote of thanks delivered by Rifa M of I B.Sc. Mathematics, followed by the National Anthem. The seminar successfully enlightened students on the evolving landscape of education and encouraged them to embrace technology-driven learning for academic and professional growth.

Mohamed Irfana K of I B.Sc. Chemistry welcoming the gathering

Principal Dr. K. Rajab Fathima delivering the Presidential address

Dr. R. Anuradha, Assistant Professor and Head of the Department of Chemistry, introduced the chief guest

Mrs. A. Mareeswari, Assistant Professor in Computer Applications, V.H.N. Senthikumara Nadar College (Autonomous), Virudhunagar addressing the students

INDUSTRIAL VISIT

Event Summary:

Name of the Event : Industrial Visit to
HCL Technologies, Madurai

Date & Time of the Event : 06.03.2025 @ 10.30 A.M

Participants : Final Year Students of
B. Sc Computer Science

An industrial visit to HCL Technologies, Madurai, was organized for 39 students of Annai Hajira Women's College, Department of Computer Science, accompanied by Mrs. S. Shankari, Assistant Professor, Department of Computer Science. The purpose was to provide first-hand exposure to professional IT environments and to connect classroom knowledge with industry practices.

Upon arrival, the HCL team welcomed everyone and presented an overview of the company's history, global operations, organizational structure, key services, and innovative work culture. The students then toured the facility, observing software development teams, network operations, infrastructure management, collaborative workspaces, and support departments. During an insightful technical interaction, HCL experts discussed emerging trends such as Artificial Intelligence, Cloud Computing, DevOps, and Cybersecurity, giving students clarity on how these are applied in real-world projects.

A Q&A session followed where students from Annai Hajira Women's College asked about internships, required skills, soft-skill expectations, and career growth opportunities at HCL. The HR team shared valuable guidance on resume crafting, interview techniques, and the company's recruitment process, which was well received by the students.

The visit provided a rich learning platform, enabling students to understand the full software development lifecycle, agile methodologies, and workplace dynamics. They gained insight into industry standards, the importance of teamwork, and the need for continuous self-improvement. The interaction inspired them to strengthen both their technical competencies and professional skills.

The visit served as a valuable learning experience, offering students a practical understanding of software development processes, agile methodologies, and the dynamics of a professional IT environment. It helped them connect academic concepts with industry applications while also highlighting the importance of teamwork, communication, and continuous skill development. The exposure gained during the visit motivated the students to enhance their technical knowledge and prepare more effectively for careers in the IT sector.

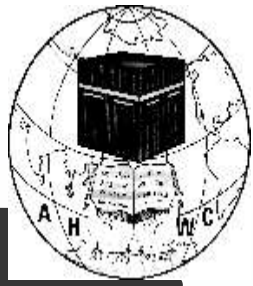

Outcome of the Program

The visit provided students with practical insights into IT industry operations and current technological trends. It enhanced their understanding of real-world applications of classroom learning. Students also gained clarity on career opportunities and the skills needed to succeed in the tech field.

G-WIZ ASSOCIATION VALEDICTORY 2024 - 2025

Event Summary:

Name of the Event	: G-WIZ Association Valedictory
Date & Time of the Event	: 16.04.2025 @ 02.00 P.M
Participants	: All students of Computer Science Department
Organized By	: Department of Computer Science, AHWC
Venue	: CSC Lab, Annai Hajira Women's College

The G-WIZ ASSOCIATION of Computer Science Department, Annai Hajira Women's College, Melapalayam, Tirunelveli organized the valediction ceremony on 21.02.2024 at 10 A.M in the Seminar Hall. The meeting was started with Qirat recited by Al-Haseena A of III B. Sc Computer Science. The welcome address was delivered by Raisha N of II B. Sc Computer Science. **Dr. R. Lavanya. Ph. D, Assistant Professor, Department of Physics, Annai Hajira Women's College** delivered a speech to learn about the Introduction to Quantum Computers and Role of physics in Computer Science examples in an interactive manner.

All computer hardware is based on physical principles. For example, classical computers rely on semiconductor physics (transistors) to operate. Quantum computers specifically rely on **quantum physics** for their operation, using particles and quantum states to perform calculations. Physicists use computers to simulate physical systems — from atoms to galaxies. Many computer science innovations come from the need to efficiently simulate complex physics problems.

Quantum computers could simulate quantum systems naturally, something classical computers struggle with. Physics drives the search for new materials like superconductors for faster, smaller, and more efficient computers. Fields like **spintronics** and **optical computing** are examples where physics directly inspires new computational paradigms. The Vote of Thanks was

delivered by Asma Parvin S of III B. Sc Computer Science. Finally, the event was concluded by National Anthem.

Outcome of the Program:

Quantum computers represent a fusion of physics and computer science at the deepest level. Understanding the behavior of particles at the quantum scale allows us to create new ways of computing that could far surpass the capabilities of traditional machines. Meanwhile, physics continues to shape the future of computer science by driving innovation in both hardware and theoretical foundations.

Book Day Celebration

Event Summary:

Name of the event	:	Book Day
Date of the event	:	23.04.2025 @ 3.00 p.m.
Venue	:	Computer Science Laboratory
Participants	:	Students from Department of Physics and Computer Science
Outcome	:	Sparked interest in Tamil Nadu's hidden history Boosted reading enthusiasm among students Strengthened collaboration among departments

The Internal Quality Assurance Cell, together with the Departments of Physics and Computer Science, observed Book Day on 23 April 2025 at 3 p.m. The event commenced with Qirāt rendered by Farhana S., I B.Sc. Physics, followed by the Tamizhthai Vazhthu. Arshidha A., III B.Sc. Computer Science, then extended a warm welcome to the audience for an afternoon devoted to the celebration of reading.

The highlight of the program was the Chief-Guest lecture by Dr. S. Sabreen Muneer, Head and Assistant Professor, Department of Language – Tamil. Speaking on Tho. Paramasivan's seminal work "Ariyapadatha Tamizhagam", she unravelled how the author illuminates lesser-known facets of Tamil Nadu—its enigmatic landscapes, forgotten folk practices, and everyday life-worlds that seldom appear in mainstream historiography. She deftly connected these unknown mysteries to broader themes of cultural continuity and regional identity, encouraging students to approach local history with a spirit of curiosity and critical inquiry. Her insights cast reading as an act of discovery that bridges the past and present.

Sameera T. N., III B.Sc. Physics, delivered the Vote of Thanks, acknowledging the organizers, speakers, and participants for making Book Day a meaningful success. The event brought the gathering to view books not merely as academic requirements but as gateways to unexplored knowledge and cultural understanding.

Arshidha A, III B.Sc. Computer Science delivering the welcome address

Dr.S.Sabreen Muneer, Head and Assistant Professor, Department of Language - Tamil, sharing her thoughts about the book entitled "Ariyapadatha Tamizhagam" by Tho.Paramasivan

Event Summary:

Name of the Event : World Earth Day

Date &

Time of the Event : 23.04.2025 @ 2.00 P.M

Participants : All students of Computer Science & Physics Department

Organized By : IQAC, Departments of Computer Science & Physics, AHWC

Venue : CSC Lab, Annai Hajira Women's College

Internal Quality Assurance Cell (IQAC), Department of Computer Science & Department of Physics, Annai Hajira Women's College, Melapalayam jointly organize the celebration of Earth Day on 23.04.2025 at 2.00 P.M in Computer Science Lab. The Resource Person of the session is Mrs. A. Aysha Nilobar, Head & Assistant Professor of Physics, Annai Hajira Women's College, Melapalayam, Tirunelveli.

The event was organized by Mrs. M. Usha Assistant Professor of Computer Science. It commenced with a spiritual and serene **Qirat** recitation by Jeena Jasmine T A of III B.Sc. Physics followed by a warm and thoughtful **welcome address** by Nigha Mirsha H of III B.Sc., Computer Science. Earth Day is a significant occasion that invites us to reflect deeply on our connection with the planet and the duties we hold as its stewards. Far beyond a mere celebration, it represents a global movement that urges individuals to examine how their morals, decisions, and daily behaviours impact the environment. In this spirit, our college observed Earth Day on **April 23rd at 2:00 P.M. in Computer Science Lab**, centered around the theme "**Morality of the People and Its Connection with the Earth.**"

The keynote address was delivered by **Mrs. A. Aysha Nilobar**, who provided deep insights into how moral values influence our treatment of the natural world. She emphasized that environmental issues are not only ecological or technological challenges, but deeply **ethical concerns**. The choices we make—from how we consume resources to how we treat other living beings—are reflections of our inner values.

Mrs. Aysha Nilobar highlighted the idea that **morality and environmental stewardship are inherently linked**. She stressed that a morally conscious individual is one who acts with empathy, responsibility, and foresight—qualities that are essential for the protection of the Earth. Environmental degradation, she noted, is often a result of human greed, carelessness, and detachment. Conversely, environmental healing begins with **compassion, discipline, and a sense of duty** toward all life forms.

She also discussed how **cultural and religious teachings across the world encourage harmony with nature**, urging people to be just, grateful, and respectful of the resources they use. She encouraged students to rediscover these principles, not just in theory, but through daily action—be it by conserving water, reducing waste, or simply treating the environment with reverence. Furthermore, Mrs. Aysha Nilobar emphasized that the **moral responsibility extends beyond individual behaviour**. Institutions, corporations, and governments must also be held accountable for their actions. Justice must be part of our approach to sustainability—not just environmental justice, but **intergenerational justice**, ensuring that future generations inherit a liveable, thriving planet.

Outcome of the Program:

The Earth Day program left a lasting impact on both students and faculty, encouraging reflection on how moral values shape our environmental choices. Mrs. Aysha Nilobar's inspiring address emphasized that true sustainability begins with ethical awareness. The event served as a powerful reminder that caring for the Earth is a moral duty rooted in our attitudes and actions.

Mrs. A. Aysha Nilobar, Head and Assistant Professor, Department of Physics sharing her views about "Morality of the People and Its Connection with the Earth".
